AMERICAN HISTORY

Field Trip Worksheet

CHOOSE A TENTATIVE ITINERARY FOR YOUR STUDENTS BY CHECKING UP TO 3 OF THE DEMONSTRATIONS THAT YOU WOULD LIKE YOUR GROUP TO PARTICIPATE IN. WHEN YOU CALL FOR YOUR RESERVATION, AVAILABILITY WILL BE CONFIRMED.

SCHOOL NAME _____ RESERVATION DATE _____

ARRIVAL TIME IS 9:30 a.m.

OUR BUS MUST DEPART BY _____. (Departure time can be no later than 2 p.m.)

AVAILABLE DEMONSTRATIONS

Please choose 3 demonstrations from the list below. Times will be assigned based on availability and a custom schedule will be printed and distributed to teachers and leaders upon arrival. There is a maximum of 50 students per time slot allowed. If you have more than 50 students in your group, the group will be divided and assigned different times. Time slots may be already filled for a given day so please book as soon as possible to insure the demonstrations that you are requesting are available.

_____**THOMAS A. EDISON INVENTION DEMONSTRATION**

Students will learn about the world's greatest inventor, Thomas A. Edison, and see his greatest inventions demonstrated including the phonograph, light bulb, and motion pictures.

_____**OLD TIME MOVIE THEATER DEMONSTRATION**

In 1900, motion pictures were a new invention. Experience what attending a movie was like in the days before "talking pictures".

_____**COWBOY DEMONSTRATION**

The cowboy is the most romantic hero in American history. Learn about the importance of his articles of clothing and the tools of his trade firsthand.

_____**BLACKSMITH DEMONSTRATION**

The village smithy was one of the most important men in town. Without him, wagons stood still and horses went shoeless. Students will see a working forge and learn how metals were formed for specific purposes.

_____**MOUNTAIN MAN DEMONSTRATION**

These were the men who shunned civilization for a life alone in the wilderness. They had to survive off the land and by their wits. Attn Teachers Animal pelts are part of this demonstration.

_____**GOLD PANNING**

With the discovery of gold in California in 1848, the rush was on that brought thousands of people west. Students will try their hand at panning for gold pyrite and keep what they find.

_____**FRONTIER LAW & ORDER**

As towns were settled and populations grew, the town Marshal was the man who kept the peace. Students will meet the Marshal and learn about his life and job while "visiting" the jail.

All above demonstrations will be given during the morning session. The afternoon session which begins after lunch will include the Wild West Show and Free Time for students to enjoy the park's other attractions.
