

SPEND A NIGHT AT THE MUSEUM OVERVIEW

OPEN TO ALL REGISTERED BOY SCOUT TROOPS

Donley's Wild West Town is located in Union Illinois 45 minutes NW of Chicago O'Hare Airport just off I-90. Now in our 43rd year of operation, Wild West Town has been entertaining children and families since 1974. The museum at Wild West Town houses an extensive collection of Americana and the educational school field trips are regularly sold out. Several years ago Mike Donley, who was an Assistant Scoutmaster for his sons Troop, put together an overnight stay in the museum. The boys loved it and begged to return the following year. This program is now being offered to all Boy Scout Troops as a cold weather alternative outing. It is designed not only for the Scouts to have fun, but will give them a better understanding of the evolution of today's high tech world. We look forward to hosting your Troop for what will be a truly memorable night.
